Profile

Marie is an experienced Case Manager who is particularly skilled in the assessment and support of brain injury, polytrauma, and pain management providing comprehensive care to deliver positive client outcomes and enhance quality of life.

Marie provides bespoke, comprehensive rehabilitation plans that address the physical, cognitive, and emotional needs of her clients. She has extensive experience working with both adults and children and is fully aware of the unique challenges that clients can face during their recovery process.

With 17 years of experience working in various clinical settings, Marie has developed a deep understanding of the complex needs of clients with these conditions and is skilled in the collaboration and oversight of interdisciplinary teams to ensure any therapeutic and medical interventions are properly meeting the client's needs.

Marie's expertise in evidence-based interventions, adaptive equipment, and community resources enables her to develop individualised rehabilitation plans that aim to maximise her client's potential with functional gains. Marie is a strong advocate for client's rights and focuses her work around ensuring that they receive the right care and support to achieve their goals.

Testimonial

"I have worked in field of brain-injury rehabilitation for over 20 years and Marie is a person I would recommend most highly for her professionalism, dedication, sensitivity, and determination to do the very best for her clients all supported by deep knowledge and an open mind." - *Nicholas Barrow, Consultant Physiotherapist, Nicholas Barrow Associates*

"Marie is a knowledgeable, caring, and diligent case manager who strives to do the best she can for her clients. Marie has demonstrated particular expertise in relation to client's suffering from chronic pain." - *Nicholas Jackson, Solicitor, Irwin Mitchell LLP*
