Learning Difficulties,
Paediatric Specialist,
Special Needs Education,
Spinal Injury.

Profile

Self-motivated, conscientious, and a highly organised case manager with over 25 years of clinical experience as an occupational therapist. Successfully managed complex paediatric cases, specialising in children and young people with severe and complex disabilities, including acquired brain injury, cerebral palsy, autism, ADHD, spinal injury, and complex behaviours. Proven ability to provide innovative solutions, enhancing client and family experiences while achieving positive outcomes.

Proficient in recruiting for, managing, and facilitating complex care packages. Skilled in working collaboratively with multidisciplinary teams and navigating complex family dynamics and safeguarding issues. Builds trusting relationships with clients and their families to support the progression of cases.

Focused on meeting the needs of clients, empowering them to achieve goals and live independent, fulfilling lives. Possesses a robust knowledge of Education Health Care Plans and excels in liaising with educational settings and professionals to promote learning development.

Demonstrates excellent written and verbal communication skills, along with a solid understanding of the litigation process and the role of the case manager within it. Aware of budgetary constraints, emphasising the importance of sound clinical evidence to support funding recommendations.

Testimonial

"Alison works tirelessly for her clients and builds strong relationships with their families. Alison will often go over and beyond to ensure that the client's goals are met and is creative in her approach. Alison's clinical knowledge, especially within housing adaptations and specialist equipment, has proven invaluable to her clients (and colleagues) and she will present herself confidently in team meetings to ensure that the clients voice is heard." - Paediatric Case Manager Supervisor
