## Profile

Yifat is a dedicated and highly motivated case manager, who places her clients' values and aspirations at the core of her practice. She has 20 years of experience in neurological rehabilitation and has honed her expertise in acute and chronic neurology cases, amputation, orthopaedic, musculoskeletal, brain and spinal injuries, as well as respiratory conditions.

Yifat has gathered her expertise through her work in prestigious international institutions including rehabilitation hospitals, the military, and private sectors. She excels in treatment planning, goal setting, and evaluation for complex clients. Yifat's strength lies in her ability to assemble and manage effective care teams and utilise person-centred goals and clinical measures to monitor progress in real time. Her proficiency in evidence-based interventions, adaptive equipment, and community resources enables her to create tailored rehabilitation plans incorporating detailed, thorough evidence based reports.

Expect a collaborative and efficient partner in Yifat, who will support you every step of the way, listening and responding to your needs to enable you to achieve your goals.

## Testimonial

"Having worked closely with Yifat at a leading rehabilitation hospital for years, I wholeheartedly recommend her exceptional professionalism, dedication, and expertise in neurological and orthopaedic injuries. She collaborates effectively with multidisciplinary teams, empowering patients to achieve independence.

Yifat's in-depth knowledge of adaptive rehabilitation equipment and problem-solving abilities, combined with her strong communication skills, make her a stand out professional in the field. I highly endorse her outstanding qualities and commitment to her work." – *Children's Occupational Therapist, NHS Community Services*
