Management,  
Pain Management,  
Vocational Support.

## Profile

Myreija is a highly experienced case manager and qualified Physiotherapist, with over 25 years' experience in both the NHS and private rehabilitation sectors. She is an incredibly versatile case manager who excels in meeting the needs of her injured clients and others involved in their care. Myreija has an excellent reputation as an effective communicator and relationship builder and can confidently work with stakeholders in many different clinical situations.

Myreija has worked as a rehabilitation case manager since 2016 specialising in complex orthopaedics, psychological, chronic pain, mild to moderate ABI, and amputations. She is an experienced Physiotherapist who has dealt with complex cases in a wide variety of environments. She has worked in both the NHS and private settings both as a clinician and teacher. Amongst her achievements, she has developed and run courses for the Royal College of Surgeons.

Myreija is fluent in English, Dutch, and German languages. She is a popular choice with clients seeking expert management of complex orthopaedic injuries for both adults and children.

## Testimonial

"Myreija is a highly skilled case manager who will work tirelessly to ensure the maximal potential recovery is achieved for her clients. Her experience facilitates referrals to treatment providers with the appropriate skills and expertise to promote the best possible outcome for the client. Working with Myreija is always a positive experience." - Associate Case Manager

"Myreija is a highly experienced and professional brain injury and major trauma case manager. She is effective and efficient and works with clients who have sustained catastrophic injuries, supporting them through their rehabilitation journey and helping them to navigate through the maze of services. She brings clarity and reassurance to her clients, setting clear and concise goals and advice. An asset to the team!" - Physiotherapist
